NEW YORK, June 7.—Specials from Ogdensburg say, the movements of the Senies in that quarter continue brisk. Since Friday at least 1,500 passed through there towards the Canadian border, and there is reliable information that nearly 10,000 are concentrated there.

The United States regulars when sent to the junction to selze the Fenian arms were directed to load with ball cartridges, but after they were gone, 400 balls were found on the ground where they had loaded.

British accounts say there are 5,000 fenians between Newport and Malone. The grand movement appears to have commenced in earnest. Fenians and supplies were constantly moving yesterday between St. Albans, East Highgate and Franklin.

Buffalo, June 7.—Six Fenian officers were brought before United States Commissioner Parker this morning. H. Mooney, of Buffalo, was released on bail of \$5,000 to appear at this Court on Thursday next. Col. O'Neil, J. M. Fagarty, Wm. Smith, M. Falvy and Jas. Ryan gave bonds for \$6,000 to appear on the 19th inst., at Caumal adigua to answer before Judge Shipman of the United States Circuit Court. These men are now around town receiving the congratulations of their friends. The Fenians are still arriving here, and some stay while others have gone east. They are very reticent, but repeat the old story about going to work on railroads. Now and then arrives a man who has a sabre. P. O. Day, head centre of the I. C. K. is in New York for instructions.
